Leave policy (sample company handbook)

Every employee gets 18 days of annual leave per calendar year, credited on 1 January.

New joiners get annual leave pro rata for the months left in their first year.

Unused annual leave: up to 5 days carry over to the next year, and the rest lapses on 31 March.

Leave must be applied for in the HR portal at least 3 working days in advance, except in emergencies.

Sick leave is separate: 12 days per year. A doctor's note is needed after 2 sick days in a row.

Public holidays follow the office location's state calendar and are published every December.

Parental leave: birthing parents get 26 weeks of paid leave; other parents get 4 weeks.

Unpaid leave of up to 30 days can be approved by the department head.
